Simple Design for a Better Life

SKAGEN celebrates Denmark and the seaside village of Skagen, where the North and Baltic Sea meet. Quality and a sense of purpose are hallmarks of modern Danish design. Our mission is to combine the inspiration of the Danish design perspective with contemporary innovation. We create functional, purposeful, quality products that offer an alternative from a complex world and the ability to connect to simple pleasures.

Our collection is carefully chosen for the B2B market with main focus on: High quality products and designs - A perfect combination of classic functional designs and vintage, which gives the collection a wide target group - Attractive purchase prices - Popular retail models - Logo engraving/print possible.

Collection is available until February 2018.*

*Subject to printing errors, sold out/discontinued item and price changes.
