Our philosophy

is to make beautiful everyday design which can withstand frequent use - for many years. We work with genuine natural materials, such as tanned leathers and sustainable oak, which is why our products age with beauty and patina.

Kitchen

6/

The kitchen should be a warm and inviting place that inspires delicious cooking. When we design kitchen products, we focus on timeless design, high quality, and most importantly good functionality.

EKTA Living presents an inspired new range of textiles to suit your kitchen. With their classic charm and woven aesthetic, these 100% cotton textiles are the perfect addition to any kitchen. Never compromising on quality, OEKO-TEX® certification guarantees that they do not contain any chemical compounds known to be harmful. All textiles are machine washable and suitable for everyday use.

Bring practicality and beauty to your kitchen with our functional design pieces. Our Magnet Shelf is designed as a combined knife magnet and shelf for cookbooks, Spice Jars, Oil & Vinegar Bottles and other small essentials. The simple timeless design will suit any kitchen style or shape, as the Magnet Shelf comes in two sizes 40 cm and 60 cm - all you need is a wall.

Magnet Shelf 40cm / Black / EK-MS185 | Spice Jar Small / EK-SJS257
Spice Jar Big / EK-SJL258 | Oil & Vinegar Bottle / EK-OVB259

Store your spices in the new stylish jars and let them tell a visual story in your kitchen. Each Spice Jar and Oil and Vinegar Bottle is made from clear glass allowing you to see its contents easily, and features a cork lid to keep your spices fresh.

These Jars are the ideal storage solution for the Magnet Shelf, fitting perfectly in the space on top. Now you can store all your spices and herbs conveniently and neatly, while using the Magnet Shelf for knives and other kitchen utensils. A perfect match!
